“Change is good.....You go first”

The second quarter (January through March) dues invoices have been sent with a new “View and Pay Invoice” button. This new “pay it now” button helps the club in two ways. First, it offer each member a safe and secure process their dues payment electronically. Secondly, it also brings the club into compliance with industry standards for safe credit card processing. Moving forward, members are encouraged to take advantage of this new process and personally make dues payments via credit card, e-check or bank transfer rather than keeping a precious and private credit card information on file in the Kiwanis office.
